

Dear Prospective Sponsor,

I am writing on behalf of the Northern Summit Volleyball Club, a non-profit society dedicated to fostering athletic excellence and personal growth for athletes between the ages of 12-18 in the Skeena, Bulkley Valley and Lakes district regions. We are committed to providing a safe environment where youth from all backgrounds can thrive. With an emphasis on sportsmanship, teamwork, and personal development, we aim to empower and inspire our members to excel on the court, and in life.

Guided by a team of dedicated coaches, board members, and parent volunteers, our club offers weekly practices and the opportunity to compete in Volleyball BC sanctioned tournaments and championship events. We also host local regional tournament events.

Our primary revenue source is registration fees paid by families and from possible sponsorship donations received from individuals and/or businesses. Since these funds do not cover all the team's operating expenses, our club is seeking financial assistance to offset costs associated with gym rentals, equipment, jersey's, tournament registrations, and transportation and accommodations while travelling for tournaments. **The average total cost per player per season to participate is \$2,000.00, which can be particularly difficult for families with multiple athletes, multi-sport athletes, or limited financial resources.**

Your contribution will make a significant impact on our athletes, providing them with opportunities to compete at higher levels, gain valuable experience, and create lasting memories. We believe that with your support, our teams can achieve even greater success this season.

Thank you for your time and consideration. We would be happy to provide additional information or discuss this opportunity further. Please feel free to contact us at northernsummitvolleyball@gmail.com

Sincerely,

Northern Summit Volleyball Club
